ABOUT NANDYAL

The historical city of Nandyal, Andhra Pradesh, India is surrounded by hills with the Kundu River on its west, the dense forests of Nallamala Hills to the east and granite mines to the south. The town is rich in water resources like reservoirs and natural resources like granite and marble. Nandyal has several historical and sacred destinations like Belum Caves, Nine Nandi temples, Sri Yaganti, Ahobilam and Srisailam. Nine Nandi temples has been an important pilgrimage site since the days of the Vijayanagar Kingdom around the 14th century. Sri Yaganti is having the world's largest Nandi idol and the rock grows at the rate of 2.5 cm per 20 years, as per Archaeological Survey of India. These places are not only the pilgrimage centers but also speak the cultural heritage of ancient Andhra Pradesh.Nandyal is the oldest municipality of Andhra Pradesh and was visited, among others, by Shri. Mahatma Gandhi, Dr. Rajendra Prasad, Shri. Jawaharlal Nehru, and Shrimathi. Indira Gandhi. This is the only one parliament constitution which produced both Prime Minister and President.

ABOUT THE COLLEGE

Santhiram Engineering College (SREC) is sponsored by M/s Sri Shiridi Sai Educational Academy, Nandyal. It is established under the guidance of Dr. M. Santhiramudu, Chairman, in the year 2007 at Nerawada cross roads on NH-40, with a motto of "Education for Peace & Progress"

ABOUT THE CONFERENCE

Department of Computer Science & Engineering is proposed to conduct the 3rd National conference on Emerging Technologies in Computer Science& Engineering **(NCETCSE-2020)** on 11th April, 2020. This conference will provide an excellent national forum for sharing knowledge and results in theory, methodology and applications of Computer Science and Engineering. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field. Authors are solicited to contribute to the Conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances in the areas of Computer Science and Engineering.
