ACKNOWLEDGEMENT

The report in present form would not have been a reality without the support and encouragement received from many scholars. I express my heartiest and sincere thanks to all of them, who helped me to make it to happen.

I express my sincere thanks to the respondents or the beneficiaries of the microfinance institutions in India

I also thank Archers & Elevators Publishing House, Bangalore, and Karnataka, India for publishing the book in time.

There are many others who also helped me indirectly without whose co-operation and support this work could not have been completed. I thank them all.
